

**Nayak Maintenance Training
Flughafen, DUS-AIR-CARGO-CENTER, Entrance D, 5th Floor
Frachtstrasse 26
D-40474 Dusseldorf**

Dear Customer,

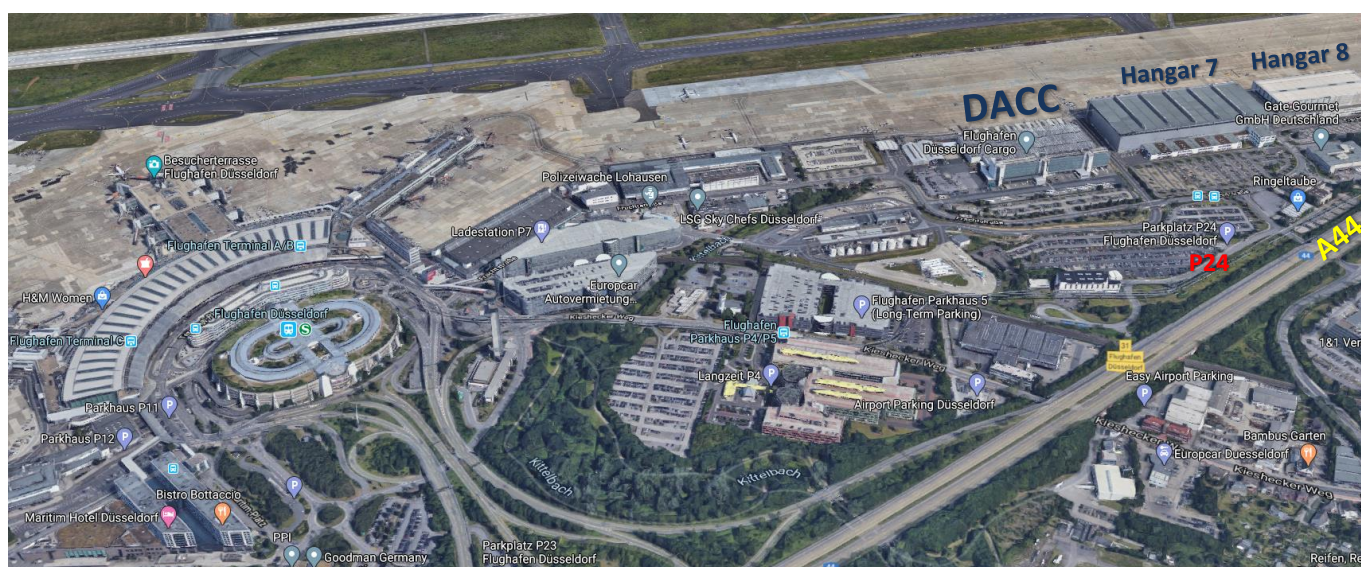

to simplify your arrival at Nayak Maintenance Training please see below information on the directions to our facilities in Dusseldorf.

By plane

Airport Dusseldorf International offers connections to all larger airports within Germany and Europe and beyond. Please leave the airport building at the arrival level (ground floor) at exit “B” and follow the signs to the airport shuttle bus "P24" (long term parking).

The shuttle bus is free of charge. After arriving at "P24" the DUS-AIR-Cargo-Center is located left beside to hangar 7 (Condor Hangar) as shown below.

By train

The homepage of the airport Dusseldorf offers useful information.

If you arrive with long-distance trains at the eastern end of the airport (Train station Dusseldorf Airport) you are in walking distance. Please follow the signs to the "airport skytrain". From there use the elevator to the ground floor. Follow the street (Frachtstrasse) until you arrive at the DACC after approx. 1200 meters.

If you arrive inside the terminals, please look for "by plane" for instructions.

Further information is available on the website of Deutsche Bahn (www.bahn.de) and Verkehrsbund Rhein-Ruhr (www.vrr.de).

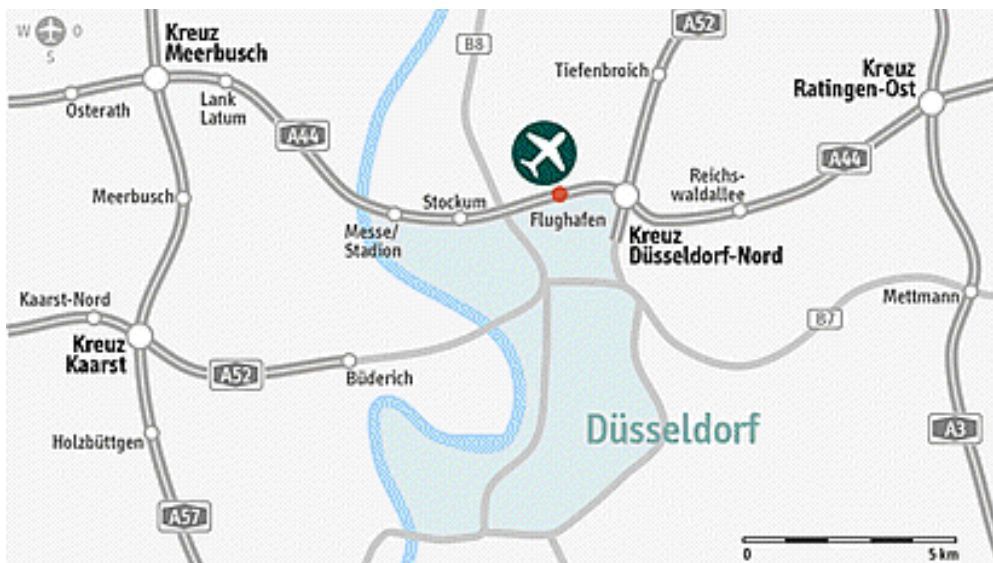

By car

The homepage of the airport Dusseldorf offers useful information.

A44 exit "Düsseldorf-Flughafen"

Turn left towards "Ankunft" and afterwards to the right. Follow the signs for "Luffracht Cargo / Feuerwache / Langzeitparken", then follow "Frachtstraße".

If you arrive at airport DUS, please follow the signage to the long term parking area "P24". The Nayak DACC is located left beside Hangar 7 (Condor Hangar).

Reimbursement of travel expenses

The costs of arrival and other incidental expense are not born by Nayak Maintenance Training.
