

Nayak JV1 is Europe's largest provider of airline-independent maintenance. Our collaboration with nearly all the great airlines in Europe underscores our relevance in the market, demonstrates steady growth, and proves that our business concept works.

We are looking for our **Barcelona - El Prat (BCN)** Operational Unit, a Cat A Licensed Aircraft Engineer – Sheet Metal Worker

Profile

- Performance of routine and non-routine maintenance in accordance with SRM.
- Performance of related operational tasks
- Perform and record all work performed iaw appropriate manuals and regulations.
- Liaising with respective internal Part 145 and Part 21 for the prompt resolution of maintenance issues.

The Job requirements are:

Documentation and Evidence

- EASA CAT A Aircraft Maintenance Licence
- A minimum of 1 years' experience performing structural repairs.
- Human Factors, EWIS and FTS certificates (Initial and recurrent)
- Certificates from Part 147 Training course, theoretical and practical (if any)
- Valid driving licence
- A minimum of one reference from the most recent employer
- Worksheets or supporting documentation demonstrating experience in role.
- Company authorisation certificate from most recent employer
- Valid criminal record check
- Experience on Aircraft type A320

Miscellaneous

- Fluent in English language – written and oral
- Previous experience and working knowledge of AMOS, AirNav and Office.
- Familiar with a team environment and willingness to contribute.
- Right to live and work in Spain prior to application.

The Company offers:

- Attractive compensation package
- Permanent fulltime position
- Possibility of different training programs to support the personal and professional development
- Partially subsidized pension plan
- Other benefits in progress

Send us one copy of your licence and your CV to ES_HR@nayak.aero , if your profile matches the requirements, we will contact you for an interview.
