

We are Nayak, a dynamic business group with experience, flexibility and team spirit. As Europe's biggest airline independent MRO service provider we want to grow further with you. At more than 50 maintenance stations, our teams of more than 800 colleagues provide a wide range of technical services. Our goal is to meet our customer's needs and by doing so to contribute to aviation safety.

This is why we need you to join our maintenance team in **Salzburg** as:

Certifying Technician CAT B1 (m/f/d)

What you will do:

- Completion of maintenance and repair tasks on our customer's aircraft taking into account all relevant regulations and your personal qualifications and do your bit to increase safety
- Issue a release to service for the work completed and help our customers to get their fleet up in the air on time
- As CAT B1 you instruct colleagues with lower qualifications, you coordinate and supervise their work accordingly
- For limited periods, you work at different locations within our network of maintenance stations.

What you bring to the table:

- Completed vocational training in an aviation related technical field or equivalent experience and knowledge
- AML i.a.w. EASA Part-66, with Airbus Family A320 (CFM56/V2500/LEAP/PW); Boeing B737CL/NG (MAX), additional type endorsements are welcome
- Long-standing experience in maintenance, repair and overhaul of large aircraft in Line and Base Maintenance
- High degree of flexibility and joy in working in teams as well as a profound customer orientation
- Ability to work in shifts
- Driving Licence EU class 3/B
- Good knowledge of English and German language
- Willingness to travel even beyond regular working hours

What you can expect from us:

- A responsible and challenging job in a future oriented industry
- An indefinite contract with a growing and dynamic company
- An open working climate with flat hierarchy and quick decision making processes
- Above average salary plus attractive special benefits
- Very good training opportunities in our in-house Part-147 training organisation

Together with you we want to keep growing and shape the future of the new Nayak.
