

Nayak is Europe's largest provider of airline-independent maintenance. Our collaboration with nearly all the great airlines in Europe underscores our relevance in the market, demonstrates steady growth, and proves that our business concept works.

We are looking for our Fiumicino Operational Unit, two persons willing to work in Nayak's Quality department.

Role: Quality Assistant

Location: Lonate Pozzolo (Milano Malpensa)

Contract: Temporary (6 months)

Duties:

- Support Quality Manager in day-to-day activities
- Plan and manage employee's training and qualifications according to regulations
- Update and manage Nayak quality database
- Support company's activities ensuring compliance and conformity with aviation authority's regulations

Requirements:

- Minimum Bachelor Degree preferably in Aerospace/Aeronautical Engineering
- Good knowledge of Microsoft Office 365 (Word, Excel, Access)
- Excellent knowledge of English language
- Basic Knowledge of relevant aviation legislation, in particular of Part 145
- Team work oriented
- Listening, comprehension and communication skills
- Proactivity
- Excellent organisation skills
- Multitasking

If you are interested in applying for this position, send us your CV to IT_HR@nayak.aero, if your profile matches the requirements, we will contact you for an interview.
